Re: Applications for Bail Reviews

When filing bail review applications, copies of all Informations relating to the charges for which the bail review is sought must be filed along with the material for the application. This is required so that the registry staff can ensure that all relevant information with respect to the proceedings in Provincial Court, including relevant publication ban information and whether there are any other outstanding Informations or Detention Orders, is available to the court.

Dated at Vancouver, British Columbia, this 22nd day of September, 2005.
